If you have previously applied and you remember the fictitious personal identity number you were given, please write it here.

Application to higher education for applicants who need full privacy protection

Updated December 2023

Personal data

| | |
|--|--|
| Swedish personal identity number (yyyymmdd-xxxx) | Applying for the following term (spring, autumn, summer, master's) |
| Given name | Family name |
| Alias - given name | Alias - family name |

An alias name is mandatory and will appear, for example, on class registers. The name you choose should not be connected to you, as it can be found in our admissions system.

Address (postal address, post office box, Swedish Tax Agency's post forwarding service)

| | |
|----------|------------------|
| c/o | Address |
| Postcode | City and country |

If you do not provide an address, we will send your post via the Swedish Tax Agency's post forwarding service in Gothenburg. As a result, your post may be delayed.

Contact information

| | |
|----------------|------------------|
| E-mail address | Telephone number |
|----------------|------------------|

Write your application codes on the next page.

Always send your application and documents to the Swedish Council for Higher Education at the address below. Never send anything to University Admissions in Sweden. Never send sensitive information by e-mail.

Address

SGA UHR
BOX 4030
171 04 SOLNA

| | | | | | | | | | | - | T | | | | |
|--|--|--|--|--|--|--|--|--|--|---|---|--|--|--|--|

If you have previously applied and you remember the fictitious personal identity number you were given, please write it here.

Application codes

You can find application codes at Universityadmissions.se or in universities' prospectuses. There is a limit on how many courses and programmes you can apply for each term. **It is important that you rank your selections in order of preference.** If you are offered a place on one selection, those that you have ranked lower may be deleted.

Application fee

In general, individuals who are citizens of countries that are not part of the EU, EEA or Switzerland are required to pay application and tuition fees. Read full information on <https://universityadmissions.se/en/fees-scholarships-residence-permit/>

Previous studies

You must send proof of your previous studies to us (although in some cases, grades and qualifications from previous university studies in Sweden will be obtained by us automatically).
